Notes from the Editor

Autumn is almost upon us. The hedges and trees are heavy with fruit this year. Soon the leaves will be turning and daylight hours will be narrowing. Autumn hails the return of several regular fixtures in the Badingham Diary which have taken a break for the summer.

The Village Quiz returns the first week of October with a fundraiser for the Air Ambulance. In November Geoff takes the helm as Quizmaster, raising funds for the church roof repair. Kurling recommenced last week with players surprised they weren't as rusty as expected! The ever-popular Coffee & Bacon Rolls mornings make their return in October - after the first Pub Night in the Village Hall. Is that good timing?!

A new venture which proved really popular were the Messy Mornings in the school holidays, organised by Revd Claire. 18 children (plus two babies!) enjoyed hunting for bugs, crafting and decorating biscuits. More have been organised for half term.

My nephew has always enjoyed taking part in the village Litter Pick, when his diary allows! It might be that he is eco-conscious or it might just be the glass of milk and tasty treats back in the Cafe afterwards. If you have ideas to keep the youngsters busy, perhaps a Christmas party or disco, you will find contact details for the village groups on the back page.

Yes, it is already time to be thinking of the festive season and in Badingham it kicks off with the Winter Market, followed by the Festive Lunch a week later. Don't panic, before that there is plenty in the Diary with the crowd-pleasing Autumn Walk and Lunch, another Book Sale and regular gatherings including Bingo - you can even squeeze in a Watercolour Workshop, if you are more talented with a paint brush than me. .

Hope to see you around the village soon.

Best wishes, Tish

COMMUNITY COUNCIL

Badingham Village Fete

What a splendid day, when we were blessed with glorious weather for Badingham's village fete. The White Horse kindly allowed us to hold the fete in their grounds and were busy serving food and drinks all day. There are so many people to thank for making the day such a success.

Everyone who helped set up and clear away
Volunteers who helped on the stalls, especially those
who stepped in last minute
People who organised games – fete-goers relished
the challenges
Badingham Bowls Club – people always enjoy this popular
feature
Cake makers for providing delicious cakes and scones
All those who donated tombola and raffle prizes
Stallholders for bringing a variety of items for sale

Finally, a huge Thank You to everyone who supported the fete - residents, visitors and friends. It was great to see everyone enjoying themselves on such a beautiful afternoon.

Badingham Community Council AGM

The AGM will be held on Thursday 13th November at 7pm in the Village Hall. Further details, along with the agenda, Annual Report and Accounts will be available on the Badingham website by the end of October.

News from Badingham Community Cafe

During the summer months we enjoyed eating cake in the sun, Thierry's French Feast and Karen's Sunday Teas. We welcomed holiday makers and visitors to the café as well as our regular customers. Where has it all gone? It's definitely Autumn now, but never fear – we have lots of exciting goings on to look forward to in the cafe.

This year's **Autumn Brunch** takes place on Saturday October 18th. As usual, Caroline will be leading a walk starting at 10am and returning to the café at midday where the two Wendys will be dishing up a wonderful warming brunch of veggie goulash with a glass of wine, followed by apple cake and tea or coffee.

If you don't fancy the walk then just come along to the cafe at 12pm for your brunch.

Booking is essential, either in the cafe or by email. Cost is £15pp.

On Saturday 1st November Karen will be organising the **Autumn Village Litter Pick**. 10am in the cafe to pick your route and collect implements then back to the café afterwards for refreshments. Please text to let Karen know if you are planning to come 07587173755

We will be hosting a **Hammerbeams Week** on Wednesday 5th and Thursday 6th November. The cafe will be open as usual but all the takings that week will be given to the church roof appeal. Please come along and support this important cause for our village.... there might even be a few fireworks!

The annual **Winter Market** will be on Friday 28th November 5-8pm in the village hall. We still have a few spaces left, inside and out, so if you are interested in a stall to raise some money for yourself or for a local cause, please email badinghamwintermarket@gmail.com
Stalls are just £10 each.

We always love to see the cafe buzzing so please drop in on a Wednesday or Thursday morning. We are open from 10.30 -12.30 and the Wednesday walks leave the café every Wednesday at 10am, regardless of the weather!

If you'd like to join our happy band of volunteers or bakers then we'd love to hear from you. Just email badinghamcommunitycafe@gmail.com for more info.

See you in the café soon!

Church Roof Repairs

We are still waiting for several subcontractors to supply costings and advice on inflation since 2022, when the original costings were done, for an up-to-date estimate. In the original costings we had expected to reclaim the VAT. VAT reclaim is currently capped at £25,000 and may disappear altogether next year which will increase the cost.

A small group are currently working on sending out applications to various bodies for grants. We have a progress meeting with Heritage in October which will determine whether we can set a date for the mid-stage review in November. If that is successful, we will be able to apply for the money for the Delivery Stage, which has to be done by the end of February.

We continue to be grateful for all the help and local support for our lovely village church and to The National Heritage Lottery Fund and lottery players.

News from **Enterprise Badingham**

The gardeners have produced many varied crops again this year in the Community Gardens, though some of us have been battling with moles! The soft fruit and the dahlias have been particularly abundant in this hot summer.

There are now two plots available so if you fancy growing a few extra veg or flowers next year, please contact Annie 01728 638130 or aelea1550@gmail.com

Enterprise Badingham will be selling sets of our 4 seasonal recipe booklets at the Winter market on 28 th November. These would make lovely Christmas gifts and any profit we make will go into maintaining the herb and flower garden at the village hall.

Finally, don't forget the oil syndicate. By grouping together, we can get a very ompetitive price for heating oil from Rix Petroleum. They deliver 3 times a year but will do extra deliveries if needed. For more info please ring 01728 638130.

More details for all these events can be found on the Badingham Community Calendar on the Badingham PC website, www.badingham.org.uk

Don't forget that the hall can be booked for very reasonable rates for Badingham residents, contact Charles on 07734 527808, badinghamvillagehall@gmail.com

Badingham Website

The website continues to develop, hopefully it will become a useful resource for residents and visitors alike, particularly the Community Events calendar, and the local services page. In particular there is a lot more on the St John the Baptist page, worth looking at particularly if you weren't aware of the scale of the task to replace the roof. Please get in touch with comments or anything to add: robpicton@me.com

You may have noticed that www.badingham.org.uk now redirects to www.badinghamparishcouncil.gov.uk as the Parish Council have migrated the website and emails to a .gov domain. You don't have to change your bookmarks as both addresses will continue to work but the plan is to separate the sites into PC and community, each linked to the other.

BADINGHAM NATURE DIARY

Paul shares his notable sightings from Pollards and around the village. We would love to hear what you have spotted, in your garden or on walks around the village.

First, an apology. Last time, I reported an emerald damselfly. Upon reflection, the specimen was way too robust for that species and I believe that what I saw was a female banded demoiselle (a first at Pollards).

Sightings at Pollards unless otherwise noted:

4 July	Gatekeeper	
5 July	Ringlet	
	Small skipper	
6 July	Elephant hawkmoth	Three in trap
	Essex skipper	
9 July	Hobby	
	Small red-eyed damsel	
10 July	Brown hawkker	
	Tipula maxima	UK's largest crane fly
12 July	Linnet	
13 July	Metalampra italica	A very small moth, only identified to science in 1977 and first recorded in this country (Devon) in 2003
14 July	Poplar hawkmoth	Four in trap
22 July	Clouded yellow	Pale female helice variant
24 July	Red kite	
31 July	Migrant hawkker	
9 August	Badger	Rook's Bridge
14 August	Willow emerald damsel	
24 August	Delicate moth

PATRICK SPENCER MP

Delivering for Central Suffolk and North Ipswich

patrickspencer.co.uk patrick.spencer.mp@parliament.uk

As I sit to write this month's article, it's noticeable how much the days are shortening and for me, Suffolk really is particularly beautiful basking in the warm autumnal colours. However, with the shorter days also come seasonal weather changes and living in a predominantly rural county, it is important that we all take time to look out for one another, particularly the elderly and more vulnerable who may need additional support.

Power cuts can happen at any time, especially during severe weather, so please make sure you're prepared by keeping a torch, spare batteries, a power bank, and essential supplies handy. In the event of a power cut, you can call **105** — a free, national phone number that connects you to your local electricity network operator for updates and assistance.

Equally, flooding can happen with little warning, so do please stay alert by signing up for free flood warnings from the Environment Agency and checking local forecasts. Take time to know and understand the flood risk in your local area and ensure that you have a plan in place. If you do need to report flooding in Suffolk, contact **Suffolk County Council's flooding team on 0345 606 6171**, but for emergencies or immediate danger, always call **999**.

I hold regular surgeries in our communities across the constituency, as well as open "Meet Your MP" meetings, so if you would like to meet to discuss a local issue, please get in touch with our office by email:

patrick.spencer.mp@parliament.uk or by phone: **01728 726612**

The best way to stay in touch and receive regular updates on campaigns and our work across Central Suffolk and North Ipswich is to sign up to receive my newsletter: www.patrickspencer.co.uk

I want you to know that I care deeply for our constituency and the communities that make Suffolk such a great place to live and work, so if I can ever help with anything, please do not hesitate to get in touch with my office.
